Florey Prize for Neuroscience Research

AIM
To encourage a young neuroscience researcher to further his/her research career by enabling attendance at a national or international scientific meeting*.

Awards are support for researchers to attend conferences or training. Attendance at conferences where the awardee is making a presentation (poster or oral) will be more favourably received. Registration fees, training course fees, travel costs and a per diem rate as currently determined by the Australian Taxation Office (to cover accommodation and meals) can be claimed for these awards.

Awards are paid as a reimbursement for expenses.

*scientific meeting includes conference/scientific day/lab visit where a presentation is made or training as approved by Head of Department.

SELECTION CRITERIA
40 years of age or younger
Quality of abstract submitted for ResearchFest Neuroscience Research

PRIZE
$1000 reimbursement of costs associated with attendance at a scientific meeting.

Presentation will be made during ResearchFest 2019 on Thursday 17 October 2019, applicants are expected to be present.

Researchers are asked to indicate on their abstract submission form if they wish to apply. Only eligible researchers should apply.
