

NEAF – Victorian State-Specific Checklist

Completion of this Victorian State-Specific Checklist is mandatory for all research applications submitted to Austin Health HREC on the NEAF.

All researchers are required to complete the checklist below and, where applicable to your project, the following:

- DHS CAF Module One Sections D, and/or
- DHS CAF Module One Sections E, and/or
- DHS CAF Module Four

Checklist – Please indicate whether your research involves:

1. **CONSENT** – adult participants who are incompetent to consent. Yes No
If **yes**, complete Section D, “Participants”, of Module One, questions 1.17 to 1.23, inclusive.

2. **PRIVACY** – the collection and/or use and/or disclosure of information. Yes No
If **yes**, complete Section E, “Collection/Use/Disclosure of Information”, of Module One questions 1.24 to 1.29, inclusive.

3. **IONISING RADIATION** – the use of ionising radiation. Yes No
If **yes**, complete Module Four, “Use of Ionising Radiation Form”, and provide a written report from the Austin Health Radiation Safety Officer (Paul U).

Principal Researcher – Name: _____

Signature: _____

Date: _____
