

Research Week

18-22 October 2010

GlaxoSmithKline Young Researcher Award

Aim

To encourage a young researcher to further his/her research career by enabling attendance at an international scientific meeting or relevant overseas work experience.

Selection Criteria

- Currently enrolled in PhD/MD/DMedSc or within 10 years of conferral
- Quality of abstract submitted for Research Week in the fields of basic or clinical research
- Research record (submit recent publications (2006-2010 only. Abstracts may be included and should be indicated with an asterisk*))

Prize

- \$4,000 reimbursement of costs associated with attendance at a scientific meeting or course
- Presentation will be made at Research Week on Thursday 21 October 2010. Applicants are expected to be present.
- To be eligible, researchers are asked to indicate on their abstract submission form that they wish to apply. Only eligible researchers should apply.
- The award should be redeemed before April 2012.
