HMO2 Surgical – Applications and Important Information

HMO2 Surgical positions at Austin Health are appointed to via the Postgraduate Medical Council of Victoria (PMCV) Allocation and Placement Service (APS). As such, applications must be made to **both** the PMCV and Austin Health.

Register with PMCV for Computer Match

In order to be considered for a HMO2 General position, candidates must first meet the eligibility criteria for the HMO Match and register with the PMCV.

For information on the Computer Match process and to register, refer to the PMCV website at <https://allocations.pmcv.com.au>.

Applications to Austin Health

All applications must be submitted via our online recruitment system. Please follow the instructions and complete all the steps. You must also attach a cover letter (addressed to Simone Morgan, Senior DiT Coordinator) and a Curriculum Vitae (CV) in order to be considered for short listing.

References

Applicants must nominate referees via the PMCV APS, where referee reports will be directly sourced. Austin Health do not require any additional reference reports (i.e. non-clinical references).

Interviews

Shortlisted applicants will be interviewed via an online platform (Microsoft Teams). Interviews will take place during July – August.

Selection

The selection process (which consists of ranking candidates through the PMCV Match) is based on merit and consists of the combined assessment of application documents, referee reports and interviews.

Appointments

Appointments are made based on the PMCV Computer Matching results. Applicants successfully matched to Austin Health will be contacted directly via email to confirm appointment.

Austin Health do offer two-year contracts for successfully matched HMO2 General candidates (note, candidates will have the option to accept either a two or a one-year contract).
