

3D Med

3DMED SYMPOSIUM 2017

Friday 25 August 2017, Austin Hospital, Melbourne, VIC

CALL FOR ABSTRACTS

Format Guidelines

- Abstract submissions are limited to 250 words, excluding title, author, and institution information and should be submitted as a one-page, single-spaced Word document.
- Abstracts should demonstrate the clinical, educational and/or research value of 3D models and contain at least an introduction and conclusion section.
 - Inclusion of tables and images is acceptable, but must be within the one-page abstract document.
- The title should be at the top of the abstract in bold font followed by a complete list of authors including relevant degrees, department, and medical institution. Please identify the presenting author(s) with an asterisk (*).
- For abstracts selected as poster presentations, the maximum poster size allowed is A0 paper size. Poster display boards and Velcro will be provided to mount posters for display.

Abstracts need to be submitted via email to
3dPrintLab@austin.org.au

**If you are interested in presenting your abstract at the symposium,
please notify us within your submission.**

Abstract submissions close **Friday 28 April 2017** at 4pm.

Successful applications will be notified **Friday 12 May 2017**.
