

## About Austin Health

Austin Health is one of Australia's major health services based in Melbourne's leafy north-east, 15km from the CBD (approximately a 22-minute drive).

We are a large service with a local and friendly culture.

We provide care over three campuses: Austin Hospital (incorporating the Olivia Newton-John Cancer and Wellness Centre), The Heidelberg Repatriation Hospital and Royal Talbot Rehabilitation Centre; as well as in the community and at home.

We are an internationally recognised leader in clinical teaching and training, offering tertiary health services and professional education together with some of Australia's finest institutions.

### We're also the state-wide service for:

- Victorian Spinal Cord Service
- Victorian Respiratory Support Services
- Victorian Liver Transplant Unit
- Acquired Brain Injury Unit
- Child Mental Health Inpatient Unit
- Austin Toxicology Service
- Victorian Poisons Information Centre
- Psychological Trauma and Recovery Service
- Ventilation Weaning Unit.
