

ORDER FORM

Pamphlets, Stickers, Fridge Magnets, Information Sheets

The Victorian Poisons Information Centre (VPIC) makes pamphlets, stickers, fridge magnets and information sheets available to people in Victoria, free of charge. Fax or mail a completed order form - this keeps our telephone lines free for handling emergency calls.

1. Indicate the quantity of pamphlets/stickers/fridge magnets that you require (please only order enough for 6 months or a maximum of 200 pamphlets per order).
2. Indicate which of the Information Sheets you would like a copy of.
3. Complete your name and postal address details as outlined below.
4. **Fax** the completed order form to **(03) 9496 4912** or **mail** it to:

**Victorian Poisons Information Centre
Emergency Department, Austin Hospital
HEIDELBERG VIC 3084**

Poisoning Advice Pamphlets

These provide basic first-aid information for poisoning incidents – what to do before ringing the Poisons Information Centre and how to prevent poisoning in the home and workplace.

Quantity _____
