IMPORTANT INFORMATION RELATING TO COVID-19 PANDEMIC

Limited numbers of Structured Workplace Learning (SWL) placements have continued, for students enrolled in a related VET Certificate only, including Cert III Allied Health Assistance or Health Assistance Services.

The Work Experience Program at Austin Health was paused indefinitely as a result of the Covid-19 pandemic. Whilst we are preparing for recommencement of the program, there is no official date of when the program will recommence, or ultimately whether placements will be offered in 2022.

The student placement program is managed by the Banyule Nillumbik LLEN. Please direct all enquiries to BNLLEN. Please do not contact Austin Health HR with enquiries about SWL or Work Experience.

It is highly recommended that students considering placement be vaccinated against Covid-19 with one of the approved vaccines. Whilst on placement students must adhere to all OH&S directions given by their supervisors. It remains the responsibility of schools and students to ensure that their own Child Safe policies are adhered to.

STUDENT PERSONAL DETAILS:			
First Name: (Given name)		Last Name: (Family name)	
Address: (Street name and no.)		Suburb & P'code
