

Austin Hospital

The Austin Hospital's front entrance (podium) is closed due to renovations

If you are driving, you will still be able to enter the hospital via the lifts in the main car park.

To access the Emergency Department in an emergency, drive or walk up to the Emergency Department (entry via Burgundy Street).

To drop off or pick up patients, including taxis and ride-share services, go to Level B3 of the Austin Towers car park (entry opposite the train station on Studley Road). Vehicles have free access to level B3 for 30 minutes.

To enter the Austin Hospital from the carpark or on foot, access the Austin Hospital via the car park lifts (entry opposite the train station on Studley Road).
