# Royal Talbot Rehabilitation Centre

**You will enter Royal Talbot Rehabilitation Centre from Yarra Boulevard.**

**If travelling by car, you will need to press the button at the boom gate and take a ticket.**

**All day parking will cost \$3.**

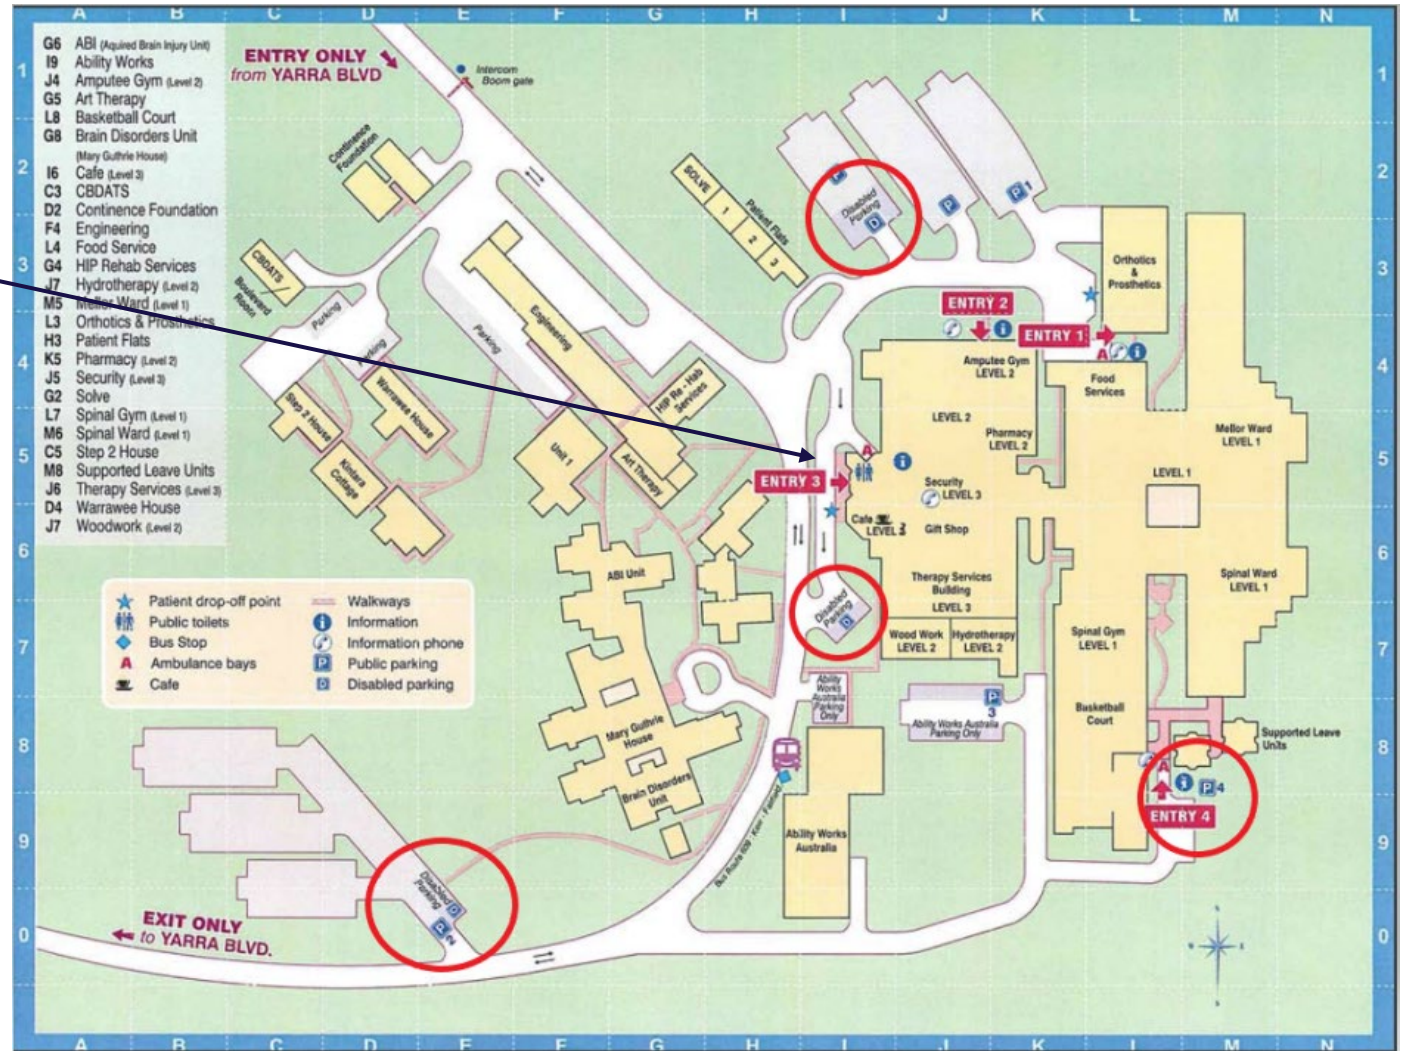

**Travelling by car:** You will travel straight ahead and take the first left down towards the carpark. Once the car is parked, you will enter the clinic via “Entry 3”.

**Travelling as a pedestrian:** You will travel straight ahead and enter the clinic via “Entry 3”.

To get to the clinic, you will enter via “Entry 3”.

You will then go down the long glass corridor towards the lifts.

When you get to the lift, you will press the down arrow.

Once in the lift, you will then select Level 1.

When the lift opens at Level 1, you will follow the signs to Prosthetic and Orthotics Department.

There will be blue circles on the floor to help you find your way.

When you get to Prosthetic and Orthotics, the glass door will slide open and you will go inside.

You will go to reception and let the staff member know that you have arrived for your appointment.

You will then wait in the waiting room and the Doctor will come and get you for your appointment.

## If travelling by car:

Once your appointment is finished, you will need to validate and pay for your carparking. You can do this at the ticket machine located outside of “Entry 3”
